

Lite-On Technology reports November sales of NT\$ 9.50 billion

2009/12/08

Lite-On Technology (TW 2301) today reported its November consolidated revenue of NT\$9.50 billion, hitting the 2nd record in 2009, with a 22% yearly growth. The sequential growth was mainly attributable to the ongoing market share expansion and stable end demand. The accumulated sales from January through November reached NT\$87.57 billion.

In November, Lite-On's sales of MFP (Multi-Function Peripherals) business grew 11% M-o-M. Meanwhile, the Power Supply, Optoelectronics (LED) and MFP businesses posted a yearly growth of 25%, 38% and 29% respectively.
