

Lite-On Tech reports December sales of NT\$ 9.66 billion, a record high in 2009

2010/01/07

Lite-On Technology Corp. (TW 2301) today reported December 2009 consolidated revenue of NT\$9.66 billion, up 2% M-o-M and 32% Y-o-Y, hitting a record monthly high for 2009. The sales growth was attributable to Lite-On's ongoing expansion in market share, coupled with stable end demand. Consolidated revenue for Q4 was NT\$28.6 billion, up an impressive 8% sequentially and 13% yearly, for Lite-On's best quarterly results in 2009. Consolidated revenue for the entire Y2009 was NT\$97.2 billion.

In December, sales of Lite-On's Power Supply and Optoelectronics (LED) Business Units posted yearly growth of 20% and 67% respectively. Meanwhile, in December the HIS (Human Input Solutions – PC Keyboards and Peripherals), Enclosure and Cameral Module businesses all posted their best 2009 monthly sales figures. For the entire year, the MFP (Multi-Function Peripherals) Business Unit delivered the most remarkable yearly growth of all the business units, at 35% Y-o-Y.
