

Lite-On Technology Corp reports May sales of NT\$10.6 billion

2010/6/08

Lite-On Technology Corp. (TW 2301) today reported its May consolidated revenue of NT\$10.6 billion, up an impressive 49% Y-o-Y, thanks to ongoing market share gains of its core business units coupled with steady overall demand. Cumulative sales from January through May reached NT\$49.8 billion with growth of 46% Y-o-Y.

In May, sales of all of Lite-On's core business units enjoyed steady growth and the Camera Module, HIS (Human Input Solutions – PC keyboards and peripherals), Optoelectronics (LED), and Power Supply business units posted especially remarkable growth of 56%, 52%, 48% and 31% Y-o-Y respectively. Compared to April, the Optoelectronics business unit continued its sequential growth of 9%, hitting a record monthly high. Meanwhile, sales of all of Lite-On's major business units maintained at least the same level as the prior month.
