

**Lite-On Technology reports March sales of NT\$ 10.67 billion, up 35% M-o-M**

2011/04/07

Lite-On Technology (TW 2301) today reported March consolidated revenue of NT\$10.67 billion, up 35% M-o-M. The impressive sales growth was attributable to Lite-On's ongoing expansion in market share and smooth delivery coupled with rising end demand. In March, all of Lite-On's Strategic Business Groups (SBGs)\* showed steady growth, with the Power Supply, Optoelectronics, Mechanical Competence and Connected Devices & System Solutions SBGs posting growth of 37%, 28%, 32% and 48% M-o-M respectively. Moreover, thanks to strong sales of high-end power systems, Power Supply revenue hit a new record monthly high in March.

As for yearly growth, the Power Supply and Optoelectronics achieved growth of 15% and 22% Y-o-Y respectively, and Lite-On Tech's consolidated revenue for Q1 was NT\$28.38 billion, maintaining approximately the same level as Q1 last year.

\*Note: As of March 2011, to further strengthen its leading position and fulfill additional applications globally, all of Lite-On Technology business units fall into one of four major strategic business groups: Power, Optoelectronics, including: LED and Cameral Module ; Mechanical Competence, including: Enclosure, HIS and MPF, and Connected Devices & System Solutions.
