

Lite-On Technology Corp. reports July sales of NT\$ 10.08 billion

2012/08/08

Lite-On Technology Corp. (TW 2301) today reported July consolidated revenue of NT\$10.08 billion, and cumulative Sales from January through July of NT\$68.18 billion, maintaining the same level as during the same period last year.

In July, all of Lite-On's Strategic Business Groups showed steady order intakes. Thanks to the smooth delivery of new products, ongoing market share gains by branded customers and increased shipment of high-end power management systems, Power SBG posted a revenue growth of approximately 10% Y-o-Y, while hitting a new 16-month record monthly high. In Optoelectronics SBG, revenue from LED lighting components increased by 300% Y-o-Y, as a result of substantial demand from branded customers coupled with expanded production, and Camera Module revenue saw a remarkable growth of 10% Y-o-Y, thanks to sequential gains in the global market-share of smart-phones and PCs, which resulted in Optoelectronics SBG's revenue growth of 5% Y-o-Y.
