Lite-On Tech reports consolidated June revenue of NT\$12.8 billion

Taipei, July 7, 2008 - Lite-On Technology reported worldwide consolidated June sales of NT\$12.8 billion, up 3% from previous month. The total revenue for the second quarter was NT\$37.7 billion and accumulated year-to-date revenue totaled NT\$ 78.5 billion.

In June, Power supply and Imaging Business Units posted NT\$ 3.37 billion and NT\$1.87 billion with year-on-year growth of 37% and 68% respectively, as a result of ongoing product mix improvements, coupled with steady order rates.
