

Lite-On Tech reports July sales of NT\$ 8.53 billion, a record high in 2009

2009/08/10

LiteOn Tech. (TW 2301) today reported its July consolidated revenue of NT\$8.53 billion, up 6% M-o-M, hitting a record high in 2009 sequentially. The sales growth was attributable to the ongoing expansion in market share and better account mix, coupled with steady recovery in end demand, The accumulate sales from January to July were NT\$50.66 billion.

In July, the sales of all business units have shown moderate growth. Power Supply and Optoelectronics Business Unit posted a monthly growth of 13% and 5% respectively, both hitting a new record this year. Network Access and HIS (Human Input Solutions, PC Keyboard and peripherals) also posted strong gains, with monthly revenue increasing at 31% and 11% respectively, while Enclosure revealed a 4% monthly growth. In the meantime, Imaging Business Unit revenue was up 13% Y-o-Y, of that, MFP (Multi-Function Peripherals) has posted a 38% yearly growth.
